The image shows the WATI registration page. On the left, there's a section titled "Everything you need to grow your business on WhatsApp" with a list of features: Targeted Campaigns, Pre-built templates, 24x7 instant engagement, Powerful automations, and Integrations. Below this, it says "Trusted by 8000+ customers across 52 countries" and lists logos for Gojek, Dukaan, TikTok, WeLend, and Airtel. On the right, there's a "Start your free trial" section. It has a "Sign Up With Facebook" button, followed by "or Sign up with email". Below this are input fields for First Name, Last Name, Business Email Address, Password, and Your mobile number (with a dropdown for country code, currently showing IN for +91). There's also a dropdown for "Main team that will be using Wati" with "Select Category" as the placeholder. At the bottom of the form, there's a "Start my trial" button and a link for "Already have an account? Sign in".

To Connect the Whatsapp business number in the WATI account

The image shows the WATI dashboard. At the top, there's a navigation bar with the WATI logo and links for Team Inbox, Broadcast, Chatbots, Contacts, Ads (Beta), and More. There's also a "Quick start" section with a "2/4" progress indicator and a "Book a demo" button. Below the navigation bar, there's a section titled "WATI Accounts". It contains a table with columns: Account Type, Phone number, Domain, Status, and Further Action. The table has two rows: "Demo" and "Trial". The "Demo" row shows a phone number +14798024855, domain app.wati.io, and status Active. The "Trial" row shows a phone number +, domain live.wati.io/453673, and status Pending Activation. There's a "Complete Pending Steps" link next to the "Trial" row. Below the table, there's a green box with an information icon and text: "It may take up to 30 minutes for your new account to be activated. Please check your email for further instructions. If you need any other help please mail us to [support@wati.io](mailto:support@wati.io)". At the bottom right, there's a "Chat With Us" button and a "WATI release print" notice.
